Assignors are to secure the most qualified referees for NL Conference matches. Assignors are encouraged to use National (04), National Candidates (05), State Referees (06) and Referee grade 07 whenever possible.

Assignors should submit for their Assignors fees on a monthly basis using the NL Conference Assignor Report Form. Accompanying the form, Assignors must submit a detailed report listing all games assigned along with information regarding the Referee Crew. Must include names of Referee, Assistant Referees and each Referee's current USSF grade, email address, and contact phone numbers.

Assignors will be paid for assigning a game if a game is postponed for any reason within 7 days of the scheduled date. In the detailed game listing, Assignors must list the Referee crew assigned as well as noting that such game was postponed.

Assignors should refer to the NL Conference Scheduling Policy for information regarding schedules, cancellations, and re-schedules.

If an Assignor is notified prior to a scheduled game date/time that a game is postponed due to weather or field conditions, then the Assignor shall contact the Referees regarding the postponement. Referees are paid by the teams if Assignor has not been notified of postponement.
